

Engineering and Technology Minor in Digital Communications Engineering Technology

A minor in Digital Communications Engineering Technology of 19 hours may be arranged with the approval of the ECET program director to meet individual needs and interests of non-majors.

Course Number and Name	Hours
ECET 231 Circuit Analysis I*	4
ECET 290 Computer Engineering Fundamentals	3
ECET 331 Digital Integrated Circuits*	4
ECET 332 Microcontrollers*	4
PHYS 131 Introductory Physics II*	4
	<hr/>
	19

* indicates co-requisite or pre-requisite required
